

Exchange Nomination Acceptance Terms and Conditions

By checking "Accept" for the "Nomination Acceptance" post-nomination task of your Horizons exchange application account, you are agreeing to the following terms and conditions.

1. You have read the Terms of Student Participation and understand your responsibilities as an Education Abroad Program participant.
2. You will attend the Pre-Departure session coordinated by the Education Abroad Program or its equivalent.
3. You will complete a Returned Student Report upon completion of your Study Abroad Program and submit it to the Education Abroad Program.
4. You give permission to the Education Abroad Program to publish and use any pictures or stories about your exchange experience that you decide to voluntarily submit and without any expectation of financial compensation for doing so.
5. You understand that purchasing health care insurance is a mandatory requirement for the exchange program and will submit proof of your health care coverage to the Education Abroad Program.
6. If outstanding exchange-related documents are not returned by any related document deadlines or before you go on exchange, or if documents are turned in with errors or omissions, your application may be withdrawn from the program and your nomination fee may be forfeited.
7. You authorize the Education Abroad Program to release any of your exchange-related information (including contact information) to any individual involved with the exchange program both at the University of Alberta and at the institution to which you are going on exchange.
